

Alliance Catholic Credit Union (ACCU) has been involved for nearly 60 years with over 130 parishes participating in a legacy of Catholics helping Catholics. Originally designed to meet the lending needs of a single parish's families, the Credit Union has grown to become a full-service financial cooperative.

Becoming a Parish Partner of Alliance Catholic Credit will offer your parishioners and employees access to exclusive products, services and benefits. Alliance Catholic Credit Union's mission is to provide trusted financial services, inspired by Catholic values and traditions, to enhance the financial well-being of the Catholic communities and neighbors we serve.

The Credit Union is wholly owned by its members as a not-for-profit financial cooperative. As such, Alliance Catholic Credit Union is uniquely qualified to provide financial products and services tailored to meet the needs of your parishioners and employees. We are deeply committed to the Catholic community we serve. ACCU demonstrates its commitment by working closely with parishes, schools, communities, and charities to enrich the quality of life for everyone.
