

## Mobile App Quick Reference Guide

We are excited to offer you a mobile app that has been designed to provide the functionality you need. Some of the defining features include the user-friendly navigation, privacy protection controls, mobile deposit, mobile bill pay and enhanced security, along with essential and innovative menu options.

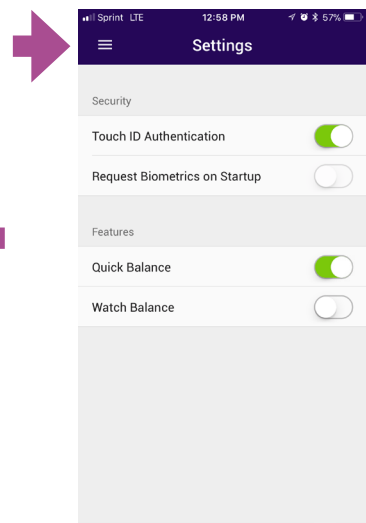

Here are some of the features we have integrated into our mobile app, so you can conveniently, securely manage your money.

### Fingerprint Secure Access

You can choose to set up your mobile banking account with secure fingerprint access, if your smartphone allows this feature.

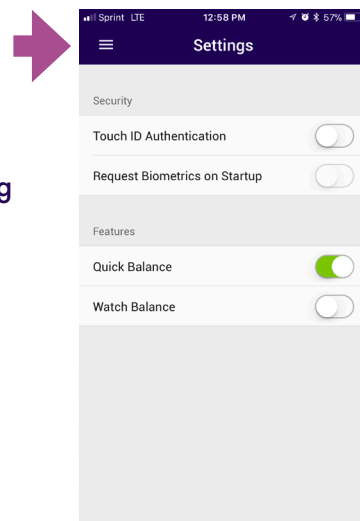

**NOTE:** Apple iPhone X face recognition also works to open your mobile app! Just activate Touch ID Authentication in Settings.

### Quick Balance Preview

In order for you to save time and keep track of your finances, we provide an option for you to quickly check your account balances without having to log into your account. You have a choice to enable this feature by going to Settings, selecting "Quick Balance" and choosing the shares you want to have displayed.

## Mobile Deposit

This safe and convenient feature allows you the ease of depositing a check directly into your account from wherever you are.

The screenshot shows the 'Mobile Deposit' screen. At the top, there's a purple header with a menu icon, the title 'Mobile Deposit', and a help icon. Below the header are two tabs: 'NEW' and 'HISTORY'. The main content area includes a 'Choose Account' dropdown menu, an 'Amount' input field, and a 'Check Amount Limit' of \$2,500.00. A text instruction says: 'Simply snap a picture of your check and follow the on-screen instructions.' Below this are two large buttons: 'CHECK FRONT' and 'CHECK BACK', each with a camera icon. At the bottom, there's a green 'SUBMIT' button. A footer note says: 'For comments or questions, please call 877-950-ACCU. To view full Terms and Conditions, please click [here](#)'.

## Bill Pay

Our Bill Pay feature enables you to pay your bills quickly and manage your finances efficiently from the palm of your hand.

The screenshot shows the 'Bill Pay' screen. At the top, there's a purple header with a menu icon, the title 'Bill Pay', and three tabs: 'New', 'History', and 'Payees'. Below the header, there's an 'Account' section with 'Primary Account 0001' and a right arrow. Below that is a 'Choose Payee' section with a right arrow. A '\$0.00' amount is displayed. The 'Process On Date' is set to 'Tuesday, October 3, 2017'. A text block explains: 'Payments cannot be scheduled on weekends or Credit Union holidays. Enter the date when you wish the payment to be processed. The minimum payment amount is \$1.00 and the maximum is \$1500 from mobile banking. Payments can be scheduled at most 90 days in advance.' At the bottom, there's a green 'Submit' button.

## Easy Enrollment Capability

You have the ability to enroll through the Mobile App without accessing Online Banking. "Enroll Here" will display on the main login screen, and will walk you through creating a Username and Password. You must have a valid Email on file, and provide your Account Number, SSN, and Last Name.

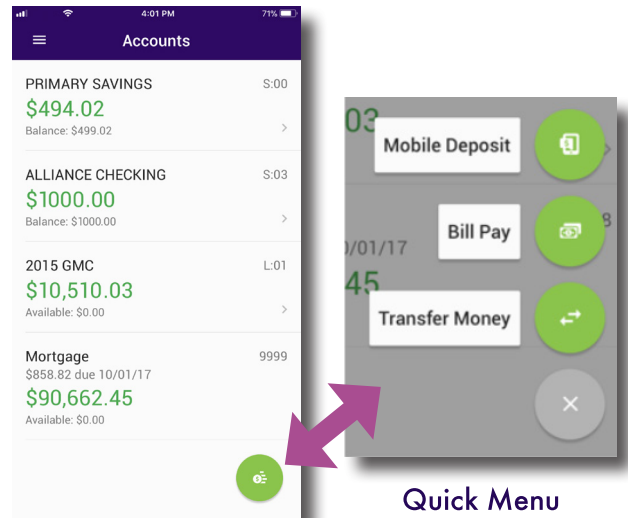

**NOTE:** You will have the ability to access Online Banking with the Username and Password you create. If you do use Online Banking, the system will walk you through the entire enrollment process the first time you log in, including setting up security questions. It will also provide you with an opportunity to enroll in eStatements.

The screenshot shows the mobile app login screen. At the top, there's a purple header with a menu icon, the time '11:26 AM', and the battery level '95%'. Below the header is the 'ALLIANCE CATHOLIC CREDIT UNION' logo. The main content area has a 'Username' field with a dropdown arrow, a 'Password' field with a lock icon, and a green 'Sign In' button. Below the 'Sign In' button are links for 'Forgot password?' and 'Enroll Here'. At the bottom, there's a 'Quick Balance' button. A purple arrow points from the 'Enroll Here' link to the right.

The screenshot shows the mobile app enrollment page. At the top, there's a purple header with the time '8:47 AM' and the battery level '67%'. Below the header is the URL 'https://m.mdtsaas.com/allian' and the 'ALLIANCE CATHOLIC CREDIT UNION' logo. The main content area has a text block: 'Enroll for mobile access in four short steps: 1) enter your account details below 2) receive an email with a access code to your email address on record 3) enter the access code to continue 4) enter your desired username and password.' Below this are input fields for 'Member Number:', 'SSN (9 digits, no dashes):', and 'Member Last Name:'. There's a green 'Enroll' button. A note says: 'Note, a valid email address must be registered with credit union to complete the enrollment process. If you need to update the email address on record, please contact CU.' Below the note is a link: 'By logging in you accept this [Agreement](#)'. At the bottom, there's a copyright notice: '© 2017 Access Softtek'.

## Advanced Menu Accessibility

When you open the app, the Accounts screen automatically displays. You can access additional features in the App Menu by swiping from the left side, or hitting the Menu button in the top left corner. There is also a Quick Menu available in the bottom right corner, which will allow you to jump quickly to Mobile Deposit, Bill Pay, and Transfers.

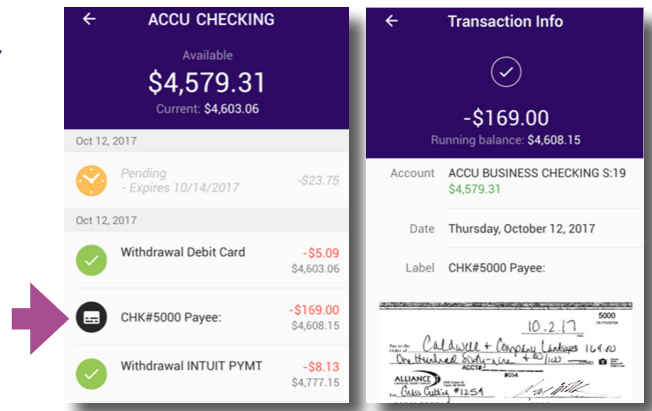

## Debit Card Controls

Card Controls allow you to turn Off and On any active Debt Card on your account.

## View Check Images

When reviewing your Transaction History, for any line item that indicates a check you wrote, you can click on the check icon to see the transaction information, including viewing an image of the check!

## Easier Accessibility to eStatements

If you are enrolled in eStatements, you can view your eStatements option in the App Menu.

**NOTE:** You will still need to enroll through Online Banking, if you are not currently receiving eStatements.

## Ease of Paying Your Credit Card and Mortgage Payments

Credit Cards and Mortgages are displayed on the Accounts screen. You have the easy option of paying either of them from the Transfer Menu. (A transfer to a Credit Card or Mortgage will show as a payment in Transaction History, and will process just like making a payment in a branch.)

**NOTE:** Only Members First Mortgage loans will display.

## Advanced Apple Watch Integration Technology

Apple Watch Integration is available. You have the ability to view your balances and transaction history from an Apple Watch.
