FAQS

Q:

Why is the promotion only good for AngelSaver members who are 7-years-old and above?

What kind of gift cards will be given out?

A:

We have a variety of food, shopping, and entertainment options that we know everyone will enjoy. There will be \$5, \$15, and \$25 gift cards.

Q:

If I bring in a \$20 coupon to open an account, does that count towards the Summer Savings program?

Q:

What if I only come in one time, but deposit \$25?

A:

Unfortunately you will not be eligible to receive a gift card through the Summer Savings program. The goal is to get you into a branch and to develop a relationship with the credit union, while saving money throughout the summer months.

A:

To get the certificate, with a \$20 coupon, you have to get through the Game associated with the financial literacy activity. It is recommended that you take the Pre-Test to go through the Life Scenarios, so you can best learn all the concepts and be best prepared to play the game. Once you play the game all the way through, whether or not you successfully complete the challenge, you will be provided with an opportunity to access the certificate.

Q:

How will I know once I've successfully completed the financial literacy course?

A:

Upon completing the game, you will be prompted to view a PDF certificate that you can save and print out, email or display on a mobile device when you visit the branch to receive your \$20 deposit.

Q:

Can I do the course if I have completed it in the past?

A:

Yes. You can indeed complete the same course multiple times. You can start over and learn new things by making new choices to reach your savings goals. There are also three levels of courses that can be completed, so you have the opportunity to expand your knowledge and take more than one course.
